CMERI: The Organizers

Established in 1958 and celebrating its Golden Jubilee this year, The Central Mechanical Engineering Research Institute (CMERI), Durgapur Is a premier national R & D laboratory in Mechanical and allied Engineering under the aegis of CSIR (Council of Scientific & Industrial Research), New Delhi. As the only national-level research institute in this field, CMERI's mandate is to facilitate innovations and inventions, develop relevant technology and serve industry to minimise India's dependance in strategic and economic sectors and to establish Indian talents in international field.

Technical Secretary

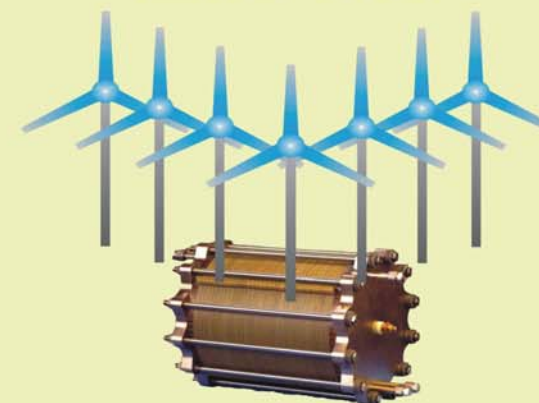

Biplab Chowdhury

CMERI GOLDEN JUBILEE PROGRAMME SERIES

FIRST ANNOUNCEMENT

INTERNATIONAL SEMINAR ON CLEAN ENERGY

October 15 - 16, 2007

ISCE 2007

Organised by

**Central Mechanical Engineering
Research Institute
Durgapur 713 209**

Scope & Objective

Energy is the essence of modern life - the lifeblood of business, industry, transportation and the consumers. Thinking of Clean Energy is unavoidable reflecting the major threats of climate change due to pollution. By demonstrating that clean energy solutions are sustainable both environmentally and economically, ISCE 2007 aims to highlight a broader spectrum of topics involving the recent and exciting research and development in this field and thus fostering intimate interaction among the experts from both academia and industries. The seminar provides an opportunity to network and discuss the several types of clean energy, the different sources, generation and its application.

Seminar Topics

The technical program will include keynote lectures, parallel technical sessions and poster presentation. The seminar will cover the following broad areas.

- * Hydrogen and Fuel cell
- * Biomass energy
- * Hybrid automotive drive
- * Wind, solar, geothermal and other renewable energy
- * Energy from waste

Call for Papers

- * Extended abstract in English within 500 words (Times New Roman, 12 point font size, double line spacing) indicating title, objective, methods, findings should be sent electronically.
- * Authors should send their brief resume with complete postal and e-mail address, telephone, and fax numbers along with the abstract.
- * Full papers, after review, will be selected for oral/poster presentation and publication in seminar proceedings. For paper inclusion, at least one author will have to be registered. The paper must be sent electronically.

Important Dates

<i>Submission of abstracts</i>	April 30, 2007
<i>Acceptance of abstracts</i>	May 15, 2007
<i>Submission of full papers</i>	June 30, 2007
<i>Registration</i>	July 31, 2007

Registration Fees

Students Delegates	Rs 1000/-
Delegates from academic & R&D organizations	Rs 2500/-
Delegates from Industry	Rs 4000/-
Foreign Delegates	US\$150

Accommodation

Accommodation at Durgapur has to be arranged in hotels/ guest houses on payment for which organizers can provide necessary assistance, if intimated well in advance. Tariff varies between INR 500/- to INR 2000/- per day per occupancy.

Seminar Venue: CMERI, Durgapur

Durgapur is an industrial township in the state of West Bengal, India, located about 160 km from Kolkata. Durgapur was designed by Joseph Allen Stein and Benjamin Polk. It is home to the largest industrial unit in the state, Durgapur Steel Plant, one of the major steel plants of Steel Authority of India Limited. Alloy Steels Plant of SAIL, a number of power plants, chemical and engineering industries and some metallurgical units are located here.

Near Durgapur lies Vishnupur, famous for its Terracotta sculptures and Santiniketan, which houses the international university 'Visva Bharati' founded by Rabindranath Tagore. Among other places nearby are Mukutmanipur, Maithon, and also Mayapur, which is famous for the ISCKON.
