Objective:

To offer opportunities to eligible and interested students to participate in the ongoing research activities of the institute for obtaining practical research experience in the field of Mechanical Engineering and allied areas.

Duration:

Summer Internship : 4 to 8 weeks during summer vacation (May to July of 2019)

Total Intake:

Like all previous years, **the total number of students** who will be inducted as (i) Summer Interns, (ii) as student fellows deputed by AcSIR under the "AcSIR-Dr. APJ Abdul Kalam Summer Training Program 2017" scheme and also (iii) as Summer Research Fellows deputed through the National Science Academies (INSA, IAS and NASI) - will be decided as per the requirements under different ongoing projects in the R&D Groups of the institute.

Selection process:

Selection of interns from the applications received will be done on the basis of fulfillment of Eligibility Criteria as described below and further screening process.

Eligibility criteria:

- B.E/B. Tech students are eligible for Summer Internship programme after completion of their 6th Semester in any of the disciplines mentioned above.
- The students deputed by AcSIR under the "AcSIR-Dr. APJ Abdul Kalam Summer Training Program 2019" scheme will be accepted without any screening.
- Also, for students who will be deputed through the National Science Academies (INSA, IAS and NASI), no screening criteria have been kept, since screening already would have been done at their end.

However, for other applicants, the eligibility criteria are as follows:-

- The student must be studying in a recognized College/University/Institute with a stream relevant to the R & D area of CSIR-CMERI, as mentioned above.
- He/she should have passed both his/her board examinations of class X and class XII with satisfactory marks, preferably securing 1st Division/Class. In addition, his/her CGPA up to the last exam passed in the BE/B Tech course of study has to be at least 7.5. The applicants must produce self certified copies of these documents along with their applications.
