

## Swachhta Awareness Message

“Cleanliness is important in our life as well as for the nation. It is well known that Mahatma Gandhi personally took the effort to achieve the change that he wanted to see. Cleanliness is not only the responsibility of the ‘safaai kaamgar’ (sanitation worker) or local government. It is the responsibility of the Government officers, NGOs and the local community to make India completely clean. We CSIR-CMERI family should play active role in cleaning our campus (office & Colony) and its surrounding areas. It’s a need of the present; all the people should actively participate to clean India to fulfill the dream of Mahatma Gandhi for the protection of our future.”
