

Documents to be submitted as a part of the bid offer:

1. Technical datasheet of the Photovoltaic module must be submitted as a part of the bid offer.

Qualification Criterion:

1. Supplier should have supplied 100 pieces or more Solar Photovoltaic Modules of at least 300W_p in a single purchase order during the last three years. Relevant purchase order copies along with satisfactory performance certificate(s) from end user is to be attached with the technical bid as documentary evidence.
2. Supplier should submit the **IEC 61215 / IS14286, IS/IEC 61730, IEC 61701/IS 61701, IEC 62716 & IEC 62804** certificates for the Solar Photovoltaic modules being supplied, from the corresponding authorized certifying agencies as part of the technical bid. Self-undertaking must also be given that the Photovoltaic modules being supplied are as per above certifications.
3. A letter from the principal Photovoltaic module manufacturer in their letterhead, stating the Product warranty and Performance warranty of their Photovoltaic module, should be submitted as part of the technical bid. These warranties should satisfy the corresponding requirements of "Product Warranty" & "Performance Warranty" mentioned in the specifications.
